

Fabulous Facts

We will enjoy learning mini-beast facts by reading information books together and independently using our phonic knowledge.

We will identify the difference between information books and story books and name the key features of information books before creating our very own mini-beast fact files

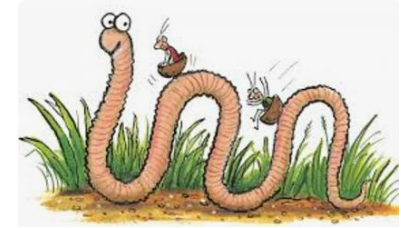

Getting Crafty

We will explore cutting and joining techniques before designing and making our own tissue paper flowers and paper chain snakes.

Super Stories

We will learn and retell the story of Superworm. We will then create our very own super mini-beast who will be the main character in our own mini-beast story.

Mini-beast Madness

Term 4 Ash Class

Easter

Marvellous Mini-beasts

We will enjoy finding and observing mini-beasts in our school grounds.

We will draw detailed pictures of mini-beasts adding labels, captions and sentences to describe them.

We will explore the similarities and differences between different mini-beasts and sort mini-beasts in different ways.
