

Are all Homes the Same?

Starting with the children's own homes we will find out about different homes around the world.

We will identify similarities and differences between homes, and identify which houses are best suited to which environment explaining why.

Houses and Homes

Ash Class

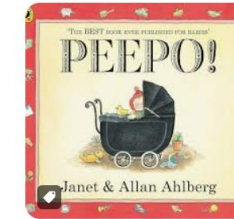

Term 5

The Three Little Pigs

We will learn and retell the story of the Three Little Pigs before adapting the story to create our own version.

We will use loose parts to build homes for the three little pigs exploring balancing and finding out which homes can withstand the wolf's breath!

Have homes always been the same?

Using the book Peepo alongside other photos we will find out about how homes have changed in the last 100 years.

We will find out about castles, why they were built and what life was like inside a castle.

Gorgeous Gardens

By exploring the school garden we will name and identify different plants and trees.

We will compare different leaf shapes, bark patterns and flowers.

We will identify and name key parts of a plant and tree.

We will plant seeds and watch how these change as they grow.

Wonderful Windmills

We will find out about windmills and what they were used for. We will learn about wind power and wind turbines.

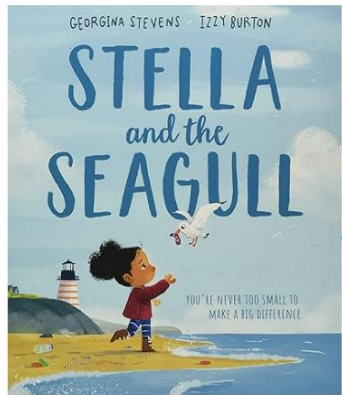

We will explore building structures learning that adding weight at the base helps to keep a structure stable.

We will use this knowledge to improve our own junk model homes.

Let's go to the Beach!

We will start our topic by sharing the children's own experiences of trips to the beach- how did they get there? What was the weather like? What did they do?

We will find out about Beaches identifying different features of the beach, naming the seas that surround the UK and the five oceans.

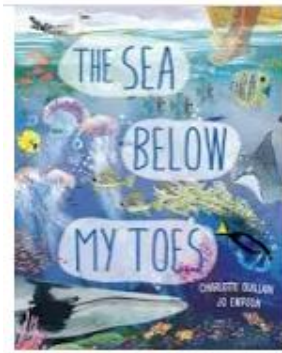

Slip Slap Slop!

We will learn to keep ourselves safe in the sun by wearing sun-cream

How can we protect the Beach?

Inspired by the story book Stella and the Seagull we will find out about how to protect the beach environment.

We will make posters to share what we have found out.

Let's go to the Beach Ash Class Term 6

Colour Splash!

We will learn about primary and secondary colours and learn to mix secondary colours. We will apply what we have learned in painting and printing.

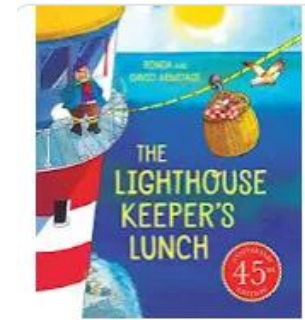

Inspired by Clarice Cliff's The Circle Tree we will create our own Circle Tree art work.

The Sea Below my Toes

Inspired by the beautiful descriptions in this book we will create our own descriptions of the ocean using alliteration and adjectives.

The Lighthouse Keeper's Lunch

The children will problem solve to make sure Mr Grindling gets his lunch!
Exploring simply pulleys will begin discussions on forces and why things move.

Have beach holidays always been the same?

Using the story book Alfie on Holiday alongside other photographs we will find out about how seaside holidays have changed in the last 50 years.
