

I can find the location of Kampong Ayer on a map and compare it to where I live.

I can compare the weather and seasons with the United Kingdom.

I can identify that fruit, vegetables and herbs are a type of plant that we eat.

I can observe and describe how seeds grow into mature plants, by planting them and watching how they grow and change.

Learn about a place called Kampong Ayer and compare it to where I live.

I can explain the life cycle of plants.

Learn about different seeds and bulbs.

I can find out and imagine what it would be like to live and travel in Kampong Ayer.

I can ask and answer questions about the natural environment around Kampong Ayer.

Oak Class
Summer 2025

Plant, Sow, Make, Grow!

I can suggest ideas to answer questions such as how do seeds and bulbs grow and stay healthy?

I can carry out simple tests to find out what seeds and bulbs need to grow and stay healthy.

I can design a tile for my 3D model.

I can make my tile and compare it to my design.

Make a 3D clay tile from a drawn design.

I can explore clay- using my hands as a tool to shape clay.

I can retell a traditional story and draw a story map to show the sequence of events.

I can experiment with and use noun phrases to make my writing more interesting - enormous, beautiful palace.

Write an innovated retelling of the story 'The Princess and the Pea.'

I can plan a new story about a King or Queen or Prince or Princess and some peas.

I can apply skills I have learnt to use impressing and joining techniques.

I can shape a pinch pot and join clay shapes as decoration.

I can write my story and then edit it with my writing partner.
