

I can plan a healthy lunch for a Lighthouse Keeper!

I can explain why the Lighthouse Keeper's lunch keeps going missing

I can write a recount about my recent school trip!

I can write about a recount of my visit to Warleigh Lodge Farm

I can retell the story of the Lighthouse Keeper's lunch

I can tell you about all the animals we saw!

I can discuss my own experiences

I can estimate the height of trees using my measuring skills

I can box up the story of the Lighthouse Keeper's Lunch

I can describe how seaside holidays have changed over time

Coast to Country!
Term 6-Ash Class

I can identify which trees are evergreen and which are not

I can identify some trees, such as Oak using bark rubbings

I can explain how we can take greater care of our seaside environment

I can play popular games which are played at the seaside!

I can build a clay farm animal by carving the clay

I can roll the clay using my hands and a rolling pin

I can explain why trees grow to different heights

I can identify, categorise and describe living things in a rock pool habitat

I can pinch, pull and stretch clay to create my animal

I can plan what my farm animal is going to look like based on my visit to the farm
