Welcome to Sycamore Class

It has been a pleasure to welcome your children back into school this September.

Sycamore class teachers are Miss Williams and Mrs Ashton. Mrs Ashton teaches all day on a Thursday.

The teaching assistants are Mrs Roberts and Mrs Collins.

General information

Drop off and collection for children is via the back school gate that leads onto the Rec.

Drop off time: 9.00am

Collection time: 3.20pm

If you have more than one child at Box, it is fine for you to drop off all of your children at the time of your earliest drop off but please collect each child at their class's allocated time.

If you need to get a message to the class teacher, please call the office on 01225 742663 or alternatively send an email to admin@box.wilts.sch.uk. The information will be shared quickly.

Clothing and water bottles

Please can all clothing and belongings be clearly labelled with your child's name. At this current time, we are not able to store lost property so it would be useful to reunite any strayed items with their owner as quickly as possible.

Please can your child bring a water bottle to school every day as they are not able to use the water fountains at the moment.

The curriculum

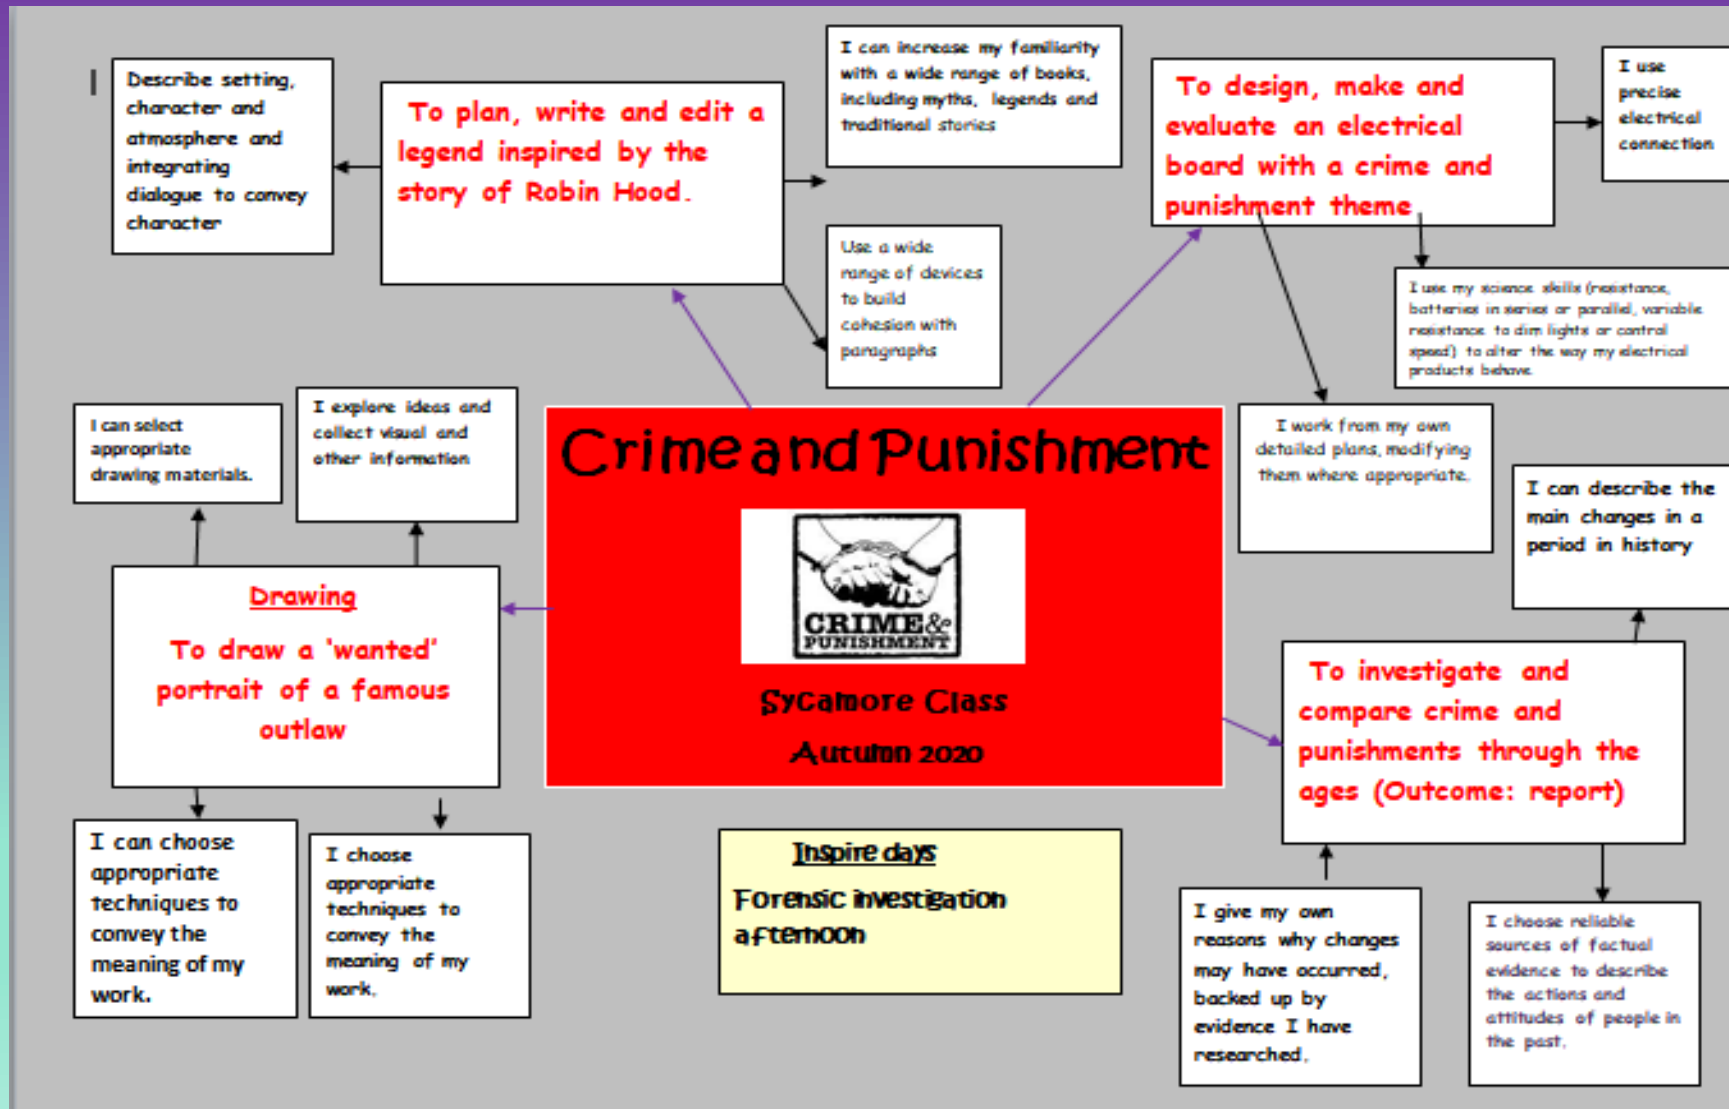

Sycamore Class is all of the year 6 children.

They receive a broad and balanced curriculum based upon their year group objectives from the National Curriculum.

We have a rolling curriculum programme which means that no topic is repeated in any two year cycle. Some key skills may be repeated to ensure that children are secure on the basics.

Timetables

P.E. is on a Tuesday and a Wednesday. Please can your child only bring trainers/daps at the moment, not a full PE kit.

New spellings will be given out each Friday and the spelling test will be on a Wednesday.

Home learning will usually be set on a Friday to be handed in on the following Wednesday. This may occasionally change if, for example, a project homework is set.

A book review needs to be completed weekly in their reading diary but do let us know if the book review is becoming a barrier to reading for pleasure.

Reading

Please can your child have their reading book with them every day as we will read in class daily. We have a good selection of books in class which they can borrow (please can they be returned when finished!) or they are more than welcome to bring in a reading book from home.

A really important way in which you can help is to listen to your child read aloud regularly, even though it is likely that they are now accurate and fluent. Discussing character motives, plot, historical contexts, settings etc. really helps develop comprehension skills.

Some children are reluctant readers; please do get in touch if you would like some tips on how to overcome this.

Home learning

Home learning will be set weekly and will consist of either maths or English, though from time to time we will set a 'making' or research project. You will find a copy of the home work policy on the school website

In addition to this, children need to read regularly at home, practise their spellings and practise their recall of times tables and basic number facts - doubling/halving etc.

Getting in touch

Please do get in touch with the class teacher if there is anything that you are unsure about or if there is anything you or your child are worried about. Please do not let a worry turn into a problem. We are available to give you a ring most days after school; the exception to this is a Wednesday which is our staff meeting day.

Thank you for your support.
