18/12/20 - last day of term

### Spring

04/01/21 - SDDay

05/01/21 - first day of term

12/02/21 - last day of term

22/02/21 - first day of term

01/04/21 - last day of term

### Summer

19/04/21 - SDDay

20/04/21 - first day of term

28/05/21 - last day of term

07/06/21 - first day of term

23/07/21 - leavers service & last

### School Video

At this time of year we are normally busy hosting tours with families who's children are due to start school next year. To give these families a sense of what our school is about we are having a video made to go on the school website. Filming is going to take place on Thursday 19th November. The video isn't going to have any talking in it but will show the children learning in school and everything will be done from a safe distance. We look forward to sharing the finished video with you when it's ready!

### Nativity

We are looking at alternative options for our nativity this year and hope to be able to share our plans with you very soon.

### Christmas Jumper Day

This year we will be celebrating Christmas Jumper Day, in aid of Save the Children, on Friday 11<sup>th</sup> December. Children can come to school in their Christmas jumpers and donate a pound to Save the Children.

### Flu Immunisation

We were really pleased with the high uptake for this year's school flu immunisation programme. The nursing team were able to deliver over 120 nasal sprays, all before morning break.

### Head Lice

Whilst head lice are quite common in childhood they are not a serious health problem and the best course of action to reduce the spread of them is regular checking of children's hair at home, followed by prompt treatment if found.

There is some useful guidance on the school website from Public Health England on how to treat head lice under the '[Parents](#)' section.
