1) Click on the Discovery Education/Coding bar

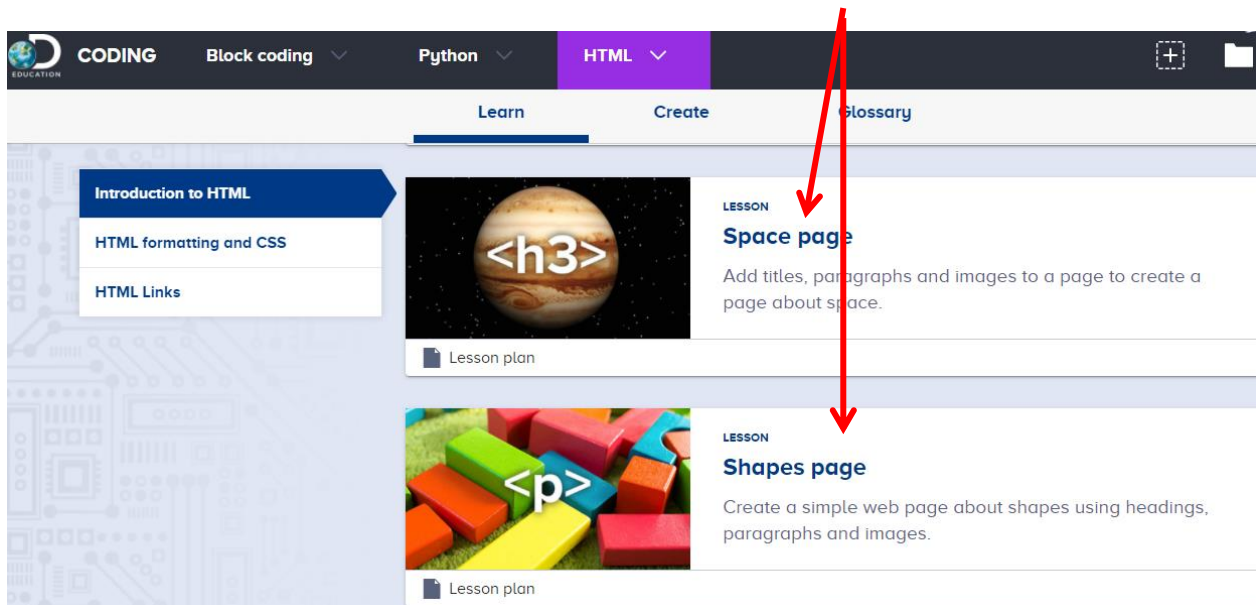

2) Next select the HTML tab at the top of the page...

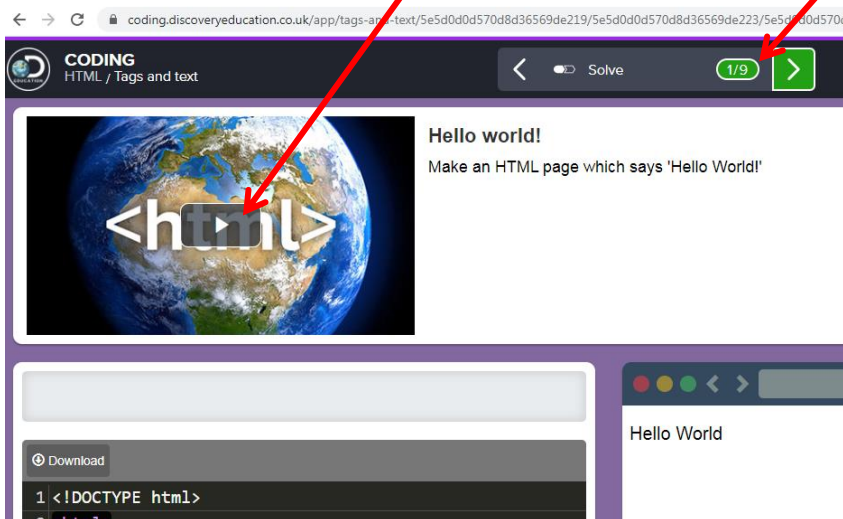

3) Next select 'introduction to HTML'

4) Today I would like you to complete the fourth and fifth lesson ('Space Page' and 'Shapes Page')

5) Each lesson will have a video to watch and a number of tasks to complete. Click the green arrow to move onto the next task. Complete each task before you move on to the next.

There will be a 'Build' section at the end of each lesson for you to be creative.

Good luck and happy programming.
