

## Box CE VC Primary School

### Coronavirus (COVID-19) Catch-up Premium

Funding Allocation: £13,680

The government is providing funding to cover a one-off universal catch-up premium for the 2020 to 2021 academic year.

It aims to support pupils to catch up for lost learning so schools can meet the curriculum expectations for the next academic year.

We will use this funding to ensure that we have:

- high quality teaching and learning as research has shown that good teaching is the most important lever in improving outcomes
- enough ELSA (emotional literacy support assistant) time who support the emotional development of pupils helping children to understand their emotions and the feelings of others
- one to one or small group support from a teacher to support children to develop the skills needed to develop overcome an identified weakness in English or maths caused by a loss of learning during the COVID-19 pandemic.

We will regularly review pupils' needs and the allocation of this funding.
