

Friday 6th May 2022

Year 6 residential visit to Jamie's Farm, Monmouthshire

Queen's Platinum Jubilee

During the week beginning 23rd May we will be spending the week celebrating the Queen's Platinum Jubilee. Our celebrations will begin with a church service on Monday 23rd May and culminate in a whole school picnic lunch on Friday 27th May.

For the picnic lunch we would like the children to wear a hat that represents a decade of the Queen's reign. The hat making is a jubilee homework that we are setting for the whole school. We have allocated the decades to year groups as follows:

- Year 6 - 1950s
- Year 5 - 1960s
- Year 4 - 1970s
- Year 3 - 1980s
- Year 2—1990s
- Year 1—2000—2010
- Reception 2010 to the present day

If the children would like to dress in a costume that matches their hat for the picnic lunch they are very welcome to do so.

Recycled container

Please can all children bring in a 'recycled container with no more than 2 litre capacity' by **Friday 13th May**. This is to plant their seeds in for the Garden Club show. Clair will work with the children to plant the seeds and then look after them as they grow over the next couple of months.

Common childhood illnesses

On the next page is a poster from the UK Health Protection Agency giving guidance on if, or how long, children should be kept off school if they a common illness.

Box CE VC Primary School

School Diary Summer 2022

Box Revels - hang on to your Jubilee hats and costumes!

On Sunday 5th June the Revels' Jubilee Fete will take place on the rec from 12pm. This includes the traditional Revels Parade which the children are invited to take part in wearing their jubilee hats and costumes.

Should I keep my child off school?

Yes

Until...

Chickenpox	at least 5 days from the onset of the rash and until all blisters have crusted over
Diarrhoea and Vomiting	48 hours after their last episode
Cold and Flu-like Illness (Including COVID-19)	they no longer have a high temperature and feel well enough to attend. Follow the national guidance if they've tested positive for COVID-19.
Impetigo	their sores have crusted and healed, or 48 hours after they started antibiotics
Measles	4 days after the rash first appeared
Mumps	5 days after the swelling started
Scabies	they've had their first treatment
Scarlet Fever	24 hours after they started taking antibiotics
Whooping Cough	48 hours after they started taking antibiotics

No

but make sure you let their school or nursery know about...

Hand, foot and mouth	Glandular fever
Head lice	Tonsillitis
Threadworms	Slapped cheek
