

The King's coronation is commencing!

On Friday 5th of May, the children will be able to celebrate the King's coronation in school! Chestnut Class will be crowning their king during our assembly in the church, along with a picnic fit for royalty and lots of other activities.

However, how can we celebrate the coronation without our own special crown?

Your homework for the next two weeks is to design and create your own crown for Friday 5th of May - to wear in school!

To help you with some ideas I've listed some website below:

[Paper Crown | Kids' Crafts | Fun Craft Ideas | FirstPalette.com](#)

[How To Make Paper Crowns For King Charles's Coronation \(prima.co.uk\)](#)

Your crowns can be made from any material such as felt, paper or even card.

All classes will be making their own crowns and we can't wait to parade them down to the church! Long live Box Primary School's kings and queens!

Please do catch me after school if you need any resources!

Miss Long
