

Willow Class Homework- Year 2 - Poetry

Date- 7/7/23

This week, in English, we have been reading and exploring poems about 'The Natural World'. For your homework, I would like you to see if you can find the title of another poem, either in your own poetry books or by looking online, that you like, that is also about 'The Natural World'. You can either just copy down the title and poet of the poem you find, or if you would like to, you could copy down a verse or two to share with us.

Enjoy!
