This week we had an assembly on the **NSPCC speak out, stay safe campaign**.

We learnt about different kinds of abuse as well as every day worries which might make someone feel downhearted, alone and fearful. We learnt that it is really important to speak to a trusted adult if we have any worries as they can help us. We can also call Childline on 0800 1111.

Task 1:

Take some time to explore the Childline website and discuss this with your home adults:

www.childline.org.uk

Take a look at the toolkit and support sections

Task 2:

Can you design a poster to go in the classroom reminding everyone to speak out and stay safe

Things to include:

- Slogan: Speak out, stay safe
- Things that might worry someone
- Solutions to share those worries e.g who will you tell? What trusted adults can help?
- The childline number 0800 1111

Please make it bright, colourful and presented to your highest quality so we can put it on the wall. If you need A4 paper please ask.
