This week in PSHE we continued our discussion about risk taking and the choices we make. This week was about dares. We discussed what we can do if we feel pressured to do something someone else has dared us to do that we know we shouldn't.

We read Ella's dare story and discussed what was the consequence of each part.

- Your task is to re-read the story then rewrite Ella's diary entry for Tuesday - from the critical moment of her making the decision of whether to accept Kira's dare or not.
- Describe, in your entry, how Ella could resist the pressure that Kira puts on her.
- Describe what happens as a result and conclude the story by re-writing Wednesday's entry, too.
- Remember to write these pieces in the 1st person, as if they are Ella writing the diary.

You can write your diary entries on paper or on the laptop and present this in your own way e.g a powerpoint of the diary

We will read them out next week and see what you thought Ella should have done.

Ella's diary dilemma

Ella's Diary (Part 1) – Monday

Had a good laugh today, mucking about with Kira and Sadia at break time. Kira's sooo funny! She'll do anything for a giggle! While we were waiting to go into Mrs. Johnson's class for maths, Ryan was showing all his mates his tablet that he'd brought in from home. You're not allowed to bring in anything like that, but Ryan and Kira were taking stupid selfies and stuff like that. It was really funny!

At lunchtime, Kira was talking about it and said we should 'borrow' Ryan's tablet to take some more silly pictures. So, she's dared me to sneak back into class tomorrow break time and take it out of his drawer. It doesn't sound like a great idea to me and I said I'd think about it. I'm hoping that Kira will have forgotten all about it by tomorrow.

Ella's Diary (Part 2) – Tuesday

Kira hadn't forgotten all about the dare – it was the first thing she asked me in the morning. She said I had to do it today, at break time. So, without really thinking, I said OK. At break time, I told the teacher on duty that I needed the toilet. But, instead, I sneaked back into our classroom – in our school, that's totally out of bounds!

At first, it felt really exciting – like I was on a secret spy mission or something – but then, when I was rummaging around in Ryan's drawer, it felt more real and not right and I started to get really scared. I grabbed the tablet and started to run out of the classroom. But then, the door opened and guess who walked in? Mrs. Johnson!

Ella's Diary (Part 3) – Wednesday

Today was definitely *not* the best day of my life! Last night, Mrs. Johnson phoned my Mum and Dad and told them what had happened. They had to go into school to see her today. Well, to cut a long story short – I got into massive trouble. When Mrs. Johnson asked me why I had taken Ryan's tablet, I didn't tell her anything about Kira's dare. I feel sooo upset and embarrassed! Why did I do it? I've been put on report at school *and* I've been grounded at home – for three weeks!

I wish I could go back to Monday and start the week all over again!
