

Next week, in English, we will be doing some descriptive writing about the setting of Ancient Greece. We will be including adjectives, expanded noun phrases, adverbial phrases, subordinating conjunctions and using commas correctly with two adjectives and fronted adverbials. As a practice for this, use your imagination to write sentences about the Palace Garden

1. *Begin your sentence with a fronted adverbial.*
2. *Use adjectives to create expanded sentences.*
3. *Add a subordinating conjunction to give extra detail.*

*Use these steps to improve the sentences below:*

*The garden had lots of plants.*

*It had a path through the middle.*

*A greenhouse sat by the hedges.*
