### Task 1:

- Set a 1 minute timer. Read the text aloud. See how far you can read in that time.
- Then repeat reading it aloud three times. How does your expression change? Remember to look for the punctuation marks to show you when to pause.
- Make sure you then read it aloud to your parents to show them your fluency skills.

### Diary Entry - 10th July

Today was an exciting day! I woke up early because we're going abroad for our holiday. My family and I are flying to Spain. I've never been on a plane before so I was a little nervous but also super excited. The flight was smooth and we could see the clouds from above. When we landed, the warm sun felt amazing! I can't wait to explore the beaches, try new foods and maybe learn a few words in Spanish. I hope I get to make lots of memories. This is going to be such an awesome adventure!

### Task 2:

**Write your own 100 word diary about an event recently.**

Remember the features: first person, time adverbs, feelings and emotions, chronological order.
