Dear Parents,

Jamie's Farm Kit List

In preparation for Sycamore's to Jamie's Farm the kit list recommended by the farm is below. As most visitors to the farm are older than our children they have said that if your child has **wellies, a waterproof jackets and waterproof trousers** please can they bring them with them as they don't have enough smaller sizes to loan them to everyone in the group.

Your child should be aware that there it is very likely that clothes will get muddy on the farm and there is slight chance that some items of clothing may get torn or suffer other damage. Please bring old clothes that you do not mind getting muddy or damaged!
