

KS2 Production, The Jungle Book

Thank you to everyone who came along, made costumes and helped the children learn lines and songs for this year's KS2 production, at the Wiltshire Music Centre last week. It was a magical performance and all the children did a wonderful job bringing The Jungle Book to life for a captivated audience.

Young Apprentice

Our Year 6's worked hard to realise their business ideas with an array of stalls and activities on the rec last week. Thank you to everyone who came along and supported them. They raised £308.34 for their chosen charity, Cancer Research.

Parent Information

Accompanying the newsletter is our parent information summary.

FoBS

Thank you to FoBS for providing the refreshments on Sports Day - they were welcomed by everyone! We look forward to the future events that are being planned.

School Blog

Throughout the year our [School Blog](#) has been updated to provide snapshots of what's been happening in school, including the latest blog published on Friday.

Break time snacks

In September we will be taking part in 'Snack-tember' and encouraging all children to have fruit or vegetables as a snack at during morning break. The poster on the next page has more information and a useful QR code.

E-bikes and e-scooters

The poster on the last page of this newsletter and accompanying leaflet have been provided by Wiltshire Police to help families to make informed choices about e-scooters and electric bikes.

Wishing all our families, staff & governors a lovely and restful summer break. We look forward to seeing everyone in school on Wednesday 3rd September

E-scooters & electric bikes - do you know the law?

E-scooters are classed as motor vehicles under the Road Traffic Act 1988.

You therefore need to have:

- **A driving licence**
- **Insurance**
- **MOT and Tax**

It is against the law to ride them on the roads/ pavements or in public spaces. This includes car parks and play parks.

Legal **electrically assisted pedal cycles** can be ridden by people over 14 years old. To be compliant with the law:

- It must have pedals which you need to turn to propel it
- It should have a motor of 250 watts or less
- The electrical assist should cut out at 15.5 mph

If it doesn't meet these criteria, it is classed as a motor vehicle and needs a licence, insurance, MOT and tax to be ridden legally.

If you use an e-scooter or e-bike against the law, you run the risk of it being seized and destroyed. You may also be prosecuted.
