TT Rockstars - The children have been given their log ins for TT Rockstars, which are stuck inside the cover of their homework book. This is a great way for them to practise their times tables, which are particularly important for both year 3 and 4 this year.

Year 3 and 4; At the moment we are learning our **10x and 2x** table- both multiplication and division facts.

Reading - If your child has a reading record, please encourage them to read with you daily for about 10 minutes. Please record a quick comment in the record book.

If your child is a 'free' reader, please still encourage them to read aloud with you to continue practising their fluency, prosody and comprehension.

All children need to have their reading book and record (if they have one) with them every day in school.

This week's task; Maths - 10x and 2x tables

Year 3 and 4;

Please learn your 10 and 2x tables by saying and writing them and completing the activities on the sheet.

Happy learning. Best wishes,
