TT Rockstars - The children have been given their log ins for TT Rockstars, which are stuck inside the cover of their homework book. This is a great way for them to practise their times tables, which are particularly important for both year 3 and 4 this year.

Year 3 and 4; At the moment we are consolidating our 10x, 2x and 5x and 3x tables- both multiplication and division facts and learning our 4x table.

Reading - If your child has a reading record, please encourage them to read with you daily for about 10 minutes. Please record a quick comment in the record book.

If your child is a 'free' reader, please still encourage them to read aloud with you to continue practising their fluency, prosody and comprehension.

All children need to have their reading book and record (if they have one) with them every day in school.

This week's tasks; Maths - Multiplication and Division Correspondence Problems
Mental Maths - Consolidating 2x, 10x, 5x, 3x and learning 4x table facts

Year 3 and 4;

Task 1; Maths - Multiplication and Division Correspondence Problems

Task 2; Mental maths - Please keep practising your 10x, 2x, 5x, 3x and 4x tables to make sure you can instantly recall all of the facts.

Happy learning,

Tamsin Iacono
