

Come follow the band

Come follow the band
Wherever it's at
Let both of your feet, beat, time to the drum
And feel your heart go rat 'a' tat tat

A flag in your hand
A plume in your hat
Battalions of brass, pass,
And catch the light
Is there a sight that's sweeter than that?
See the pretty lady toss that baton high
Ain't she cute as a daisy?

Watch the fellow with the big bass drum go
by
Ain't ya glad that you stayed
Hear the tuba play the Oompah pah, oh my!
Ain't it drivin' you crazy
Don't ya be so darn lazy
Better hurry 'n' join that big parade

Up out of your seat
Down off of the stand
Step out to the sweet beat the bugle plays
A sound that you'll remember all your days
And when you see the leader proudly raise
his hand
Just follow the band

Hear the trumpet blast
Hear the cornet blare
Hear the boom of the bass
And the rattle of the snare
With the sweetest burst of melody I know

Goes by, goes by.

Come follow the band
Wherever it's at
Let both of your feet, beat, time to the drum
And feel your heart go rat 'a' tat tat

A flag in your hand
A plume in your hat
Battalions of brass, pass,
And catch the light
Is there a sight that's sweeter than that?
See the pretty lady toss that baton high
Ain't she cute as a daisy?

The band.
The band.
Yeah!
