good
great
green
grow
hard

length
strange
perhaps
island
special
question
decide
difficult

Your child will know whether they need to practise the words for 'Vowels', 'Nouns' or 'Consonants' group for their weekly spelling test.

Please practise your weekly spellings in any way you would like to. Here are some ideas to help you this week;

<p>25. Homophones</p> <p>Can you find any homophones which go with your spelling words? What do they mean?</p> <p>e.g. wear and where, to, too and two their, there and they're</p>	<p>26. Writing Race</p> <p>Set a timer for 2 minutes. See how many times you can write each word perfectly during that time.</p> 	<p>27. Code Words</p> <p>Come up with a code for each letter of the alphabet and then write each word in code.</p> <p>e.g. a = b = ♦ c =♣</p>	<p>28 Word Classes</p> <p>Sort your spelling words into word classes - nouns, verbs, adjectives etc.</p> <p>Be careful - some words can be used in more than one category e.g. swimming.</p>
--	---	--	---

TT Rockstars - The children have been given their log ins for TT Rockstars, which are stuck inside the cover of their homework book. This is a great way for them to practise their times tables, which are particularly important for both year 3 and 4 this year.

Year 3 and 4; At the moment we are consolidating our **10x, 2x, 5x, 3x, 4x, 6x, 7x, 8x, 9x tables**- both multiplication and division facts and learning our **11x table**.

Year 4; Also **11x and 12x tables**

Reading - If your child has a reading record, please encourage them to read with you daily for about 10 minutes. Please record a quick comment in the record book.

If your child is a 'free' reader, please still encourage them to read aloud with you to continue practising their fluency, prosody and comprehension.

All children need to have their reading book and record (if they have one) with them every day in school.

This week's tasks; Year 3 and 4; Home School Home-learning for 'Drowning Prevention Week'

Task 1; Home School Home-learning task set on the website. This is an optional piece of home learning, set after our Key Stage 2 assembly as part of 'Drowning Prevention Week'

Task 2; Mental maths - Please keep practising your **10x, 2x, 5x, 3x, 4x, 6x, 7x, 8x, 9x and 11x tables** to make sure you can **instantly** recall **all** of the facts.

Happy learning,

Tamsin Iacono
